2017 SPRING/SUMMER COLLECTION

QUALITY TO THE GOLD STANDARD

MISSION STATEMENT

We believe that creating and perfecting our products is not a job but a lifestyle. Our employees understand this and they are the backbone of our success. This enables us to create products that surpass our customers' expectations and be an example to our competitors. Our legacy of commitment and innovative design is a family legacy that we share with you.

OUR VISION

As we head into the future, we strive to lead the way in the latest development and concepts to keep us at the forefront of innovation in lighting. We take on this endeavor with many years of experience and craftsmanship, making us stronger as we move forward. As always our goal has been to set the benchmark of quality on our production, while maintaining 100% customer satisfaction. With this we advance into many new developing technologies, environmentally friendly materials, methods and management, thereby continuing our commitment of the Gold Standard.
